Special Instructions-

Signature of this proposal confirms acceptance of the following terms and conditions. The amount of this proposal includes sales tax, freight, and receiving. It does not include delivery or installation (unless noted) which will be billed separately to the Client. Balance due must be obtained at the time of delivery. Thank you for your valued order and attention to this matter. Items stored over 30 days will occur additional warehousing fees. TERMS & CONDITIONS: 1. Orders for items proposed will not be placed until signed PROPOSAL OR CONFIRMATION CONTRACT is received, together with the required payment. All proposals are to be paid in full. 2. If an order is placed by phone or email, we will email you a copy of this contract. Submission of payment will be taken as approval of proposal and acceptance of all terms. 3. Prices of items proposed are valid for 30 days from original proposal date, unless changes are made. Before proceeding with ordering, notice of price increase will be given and confirmation of revised price required. 4. Prices include sales or other applicable taxes, all of which will be at Client's expense unless otherwise noted. 5. All sales are final, with the exception of some accessories. Items that do qualify as returnable will be refunded with a 25% restocking fee applied, for merchandise credit only. All special orders are exempt from any return, refund or credit. 6. No responsibility is assumed for the inability to perform or for delays occasioned by the failure of others to meet commitments or for any reason or cause beyond Designer's control, including accidents or labor troubles. Orders may not be cancelled or deposits refunded due to late delivery. 7. Orders approved under this contract are non-cancellable, unless the price

is revised pursuant to paragraph 3, above. 8. All fabrics are first quality and have been selected from quality mills, but since there is no warranty available to use concerning wearability, dye or color-fastness, we cannot extend any warranty on fabric. Therefore, Designer does not guarantee any fabric, furniture, or furnishings against wearing, fading or latent defect, but to the extent permitted by law. 9. Actual item may differ from image represented on proposal, as all items are customized to Client/Designer specifications. Image is for general representation only. 10. R. Cartwright Design strives to provide the best quality pieces and fabrics for our clients, however, normal wear and tear does happen. The party to cover the costs of any necessary repairs will be decided on a case by case basis. In some situations, R. Cartwright Design will cover these costs, in others the client will cover these costs.

All repair quotes must be approved before repairs are made. 11. All warehouse pick ups are to be made by the Designer, unless otherwise discussed. Any pick ups made by the Client require 24 hours notice to the Designer directly, and require sign off by the Client upon leaving warehouse. 12. Finish and material descriptions listed on proposals are an approximation. All finishes, fabrics, and leathers have variable dye lots, and the material on the finished product may not be exactly the same as the sample presented to you. Natural materials, such as leather, may have more drastic variation. Dye lot variations are within industry standards and are not justification for return of items. 13. Due to COVID-19, availability issues as well as price changes may occur as supply chain is tested. R. Cartwright Design will advise the Client of any pricing or availability changes immediately.
